8. Recommended to the Director that he NOT make any contact with the staff of the House Appropriations Committee prior to discussing the over-all budget with Senator Bridges. Suggested that he explore with Bridges the best avenue of approach to Mr. Taber, directly and alone. Stressed the point ~~that~~ when he talked with Mr. Taber he should be ready to proceed with our budget hearings immediately, so that Mr. Taber could not change his mind, as happened last year with General Vandenberg while the latter was in Europe.
